

Rex-Royal S1 CT

Rex-Royal S1 CT

Even with the compact Rex-Royal entry-level model, the S1 CT, perfect coffee preparation from espresso to café crème, is always guaranteed thanks to the high-quality, patented brewing unit and hot water dispensing at a rate of up to 20 litres per hour. In addition, you can prepare two speciality coffees at the same time. The user-friendly 7-inch touch screen guides you easily and comprehensibly through the beverage menu, so you can always be sure of a perfect coffee solution. Every time.

Features

T- Hot Water

C- Coffee

Advantages

High-quality metal brewing unit

Premium coffee quality thanks to the high-quality, more powerful Rex-Royal metal brewing unit with a capacity of 16 grams of ground coffee per brewing operation
